

SkyWork Airlines operates Dornier 328 and SAAB 2000 aircraft to connect the Swiss capital with the main European cities. A number of top holiday destinations are added in the summer season.

Our network will be increased with other bases, destinations and aircraft. To support our growth plan, SkyWork is searching for crew (cockpit and cabin) and maintenance personnel with experience on the **Embraer E-Jet-Family** (Embraer EMB 170 – EMB 195) and commanders coming from other jet types. Swiss or EU-passport and EASA conform or transferable certificates are required.

- **Rated Commander** **Embraer E170 - E195**
- **Rated First Officer** **Embraer E170 - E195**
- **TRI / TRE** **Embraer E170 - E195**
